

Christmas Medley

LifeKids

Birthday Party

VERSE 1

It's Christmastime again
So grab your family and your friends
We're gonna dance and sing
We're gonna decorate everything
It's a birthday party for Jesus our King
Oh oh oh
It's a birthday party, a birthday party
Oh oh oh

CHORUS 1

I'll sing
I'll let my voice be heard
I'll dance
'Cause You brought joy to the world
I'll stand, lift my hands
Worship and adore
Jesus, You're the gift the world was waiting for

BRIDGE

Dance, dance, yeah, bust a move
Let me see you get loose with a Christmas groove

Throw a snowball
Throw a snowball
Throw a snowball
And freeze

Now do the snowman
Do the snowman
Do the snowman
Do the snowman

And slide on the sled
Slide on the sled
Slide on the sled
Now STOP!

CHORUS 2

I'll sing
I'll let my voice be heard
I'll dance
'Cause You brought joy to the world
I'll stand, lift my hands
Worship and adore
Jesus, You're the gift the world was waiting for
