

Candy Cane Song

By Mary Rice Hopkins & Linda Stevenson

LYRICS

VERSE 1

Solo 1: Every year at Christmastime
We'd decorate our tree
With candy canes both large and small
It was such a sight to see

Solo 2: And then we'd hear a story
And our mom would explain
The legend how it came to be
The Christmas candy cane

CHORUS

Everyone: J is for Jesus and I do believe
Red is for His blood He gave for me
White stands for holiness and setting people free
And the staff is for the Shepherd
I'll follow as He leads

VERSE 2

Solo 3: And if we taste the candy cane
Like Jesus' love is sweet
A foundation that's solid
A rock beneath my feet

Solo 4: And by His stripes we know
The sinless life He paid
The Trinity is three in one
For the love He gave

Everyone: **(Repeat Chorus)**

Everyone: The Christmas candy cane
